Thompson, deceased, and for hearing the application of Paul S. Thompson for the issuance to him of letters testamentary, when and where any person interested may appear and contest the said will, and may file objections in writing to the granting of letters testamentary to said petitioner.

Dated January 7, 1889.
WM. H. DOANE, Clerk.
JAS. W. TORREYSON, Attorney for petitioner.

Advice to Mothers.

Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays the pain, cures wind colic, and is the best remedy for diarrhoea. Twenty five cents a bottle.

Jewelry Display.

There is a glittering display of jewelry, diamonds and ladies' watches in the show window of the Rinschel building. The designs are of the latest, and will be sold during holidays, at prices which can not be duplicated in the State.

The assortment embraces all kinds of the most fashionable jewelry and tableware. Call and inspect goods and prices.

*distd CHATELAIN & GOLDEN.

—The immense sale of Chamberlain's Cough Remedy has been produced to a great extent, by people who have been cured by it telling their friends and neighbors of its good qualities and urging them to try it. The most severe cold will soon yield to its soothing effects. For Sale by G. C. Thaxter.

—Peter Vansickle has two hundred head of stock to sell.

—Mr. Padroll, the Washoe dairy man, was in the city yesterday.

—A memorial to Congress was introduced in the Senate yesterday asking the President elect to select a Pacific Coast man for his Cabinet.

—A fight to a finish between Patsy Cardiff and Jackson, the colored Australian, is one of the possibilities of the near future.

—Mr. Lockerman the colored porter of the Senate is the only colored man on the coast who belongs to the G. A. R. and he had the unanimous vote of the Senate.

—A man in Polk, Oregon, got drunk and beat his wife's corpse under the impression that she was still alive. There is talk of lynching.

—Yesterday articles were signed for the glove contest between Matt. Brannan and Joly Elliot. The stakes will be \$250 a side. Circaid will train Brannan for the match.

—There is less kicking among those that got left than ever known before. The offices were fairly distributed geographically and almost every one is well satisfied with the result.

—There was a large crowd in the Senate Chamber yesterday to see Senator Torrey's big Russian overcoat but he did not appear with it. Senator Foley has one of seal skin but each man is afraid to wear it until he sees the other.

—Cagwin & Noteware have a full stock of Legislative supplies such as pocket bill-files, pocket mace-lace bottles, Robert's Rules of Order, Cushing's Manuals, and a complete assortment of plain and fancy stationery. They are also agents for all daily, weekly and monthly publications of the East and West, subscriptions to which are respectfully solicited.

—The dry cold weather of the early winter months is productive of a great deal of croup among children. Mothers should be on the lookout for it, and be prepared to arrest it as soon as the first symptoms appear. True croup never comes without a warning; a day or two before the attack the child will become hoarse, and that symptom is soon followed by a peculiar, rough cough. If Chamberlain's Cough Remedy is given as soon as this hoarseness or cough appears, all danger and anxiety may be avoided. It has never failed, even in the most severe cases. There is no danger in giving the Remedy for it contains no injurious substance. For Sale by G. C. Thaxter.

The Wheelmen's Ball.

The Wheelmen will give a ball on the 11th of this month, and also are preparing a fine exhibition on their bicycles, thereby giving the Legislators a chance to trip the light fantastic, and also see some fancy bicycle riding. The tickets are selling rapidly, and there is every chance of a big crowd and a fine time.

Change of Proprietorship.

Yesterday Dolph Shane purchased the Hole in the Wall and took possession. Shane used years ago to run a very popular resort here and as soon as it was known that he was once more on deck there was a lively pilgrimage to the spot. He will run an elaborate free lunch during the season and introduce many improvements.

An Editor's Revenge.

J. W. Lamoureux of the Albion Idaho Times, who was unseated by the present legislature in a contest with Sparks as councilman, thus has his say in his paper of December 21:

Aside from Hons. A. E. Jordan of Cassia, and D. L. Badley of Ada, in the House, the whole legislative body is composed of men totally incompetent of performing the duties imposed upon them. Speaker Curkhardt, who goes by another name at his home in Haily, has so far certainly proven himself everything that his Haily name implies. Since his elevation to the Speakership it has become necessary for him to braid his sideburns and tuck them under his chin in order that his soft and swollen pate may enter the folding doors of the capitol building.

President Clough might have been a smart man if nature had not made a mistake, while Perkins Altures, might have an ounce of brains if he had any place to put them. We deeply sympathize with Mr. Mayhem, but then if it weren't for him the Governor would be compelled, under force of circumstances to call for another election.

Death of Mrs. Tuffy.

Shortly after midnight yesterday Mrs. Sophie Tuffy, wife of State Treasurer Tuffy breathed her last at the St. Charles Hotel in this city, in her 61st year.

Mrs. Tuffy was born at Kadleburg, Baden, Germany and lived in this city for many years. In her were blended all the noble qualities which endow the wife and crown the mother. Her unselfish and self sacrificing disposition, her fidelity to those she loved, and her sympathetic impulses are too well known throughout the city of Carson to be dwelt upon here. The sympathy for her husband and her children Mrs. Oliver Roberts and Mrs. Tubacio Parrot's deep and universal.

Up to the last her husband could not believe her dying, and not until she stretched out her hands to him to say "good bye forever" could he realize that the partner of his life was indeed going, when he broke down completely.

The funeral will take place at 2 o'clock on Wednesday afternoon from the St. Charles Hotel.

Grismer-Davies.

On Thursday evening the Grismer-Davies company will play "The World Against Her." Of this highly dramatic production the New York Journal says: "A. M. Palmer produced his new play, 'The World Against Her,' for the first time in America last night at the People's Theatre. It is the best play which Frank Harvey has disposed of to American actors, and far superior to 'Woman Against Woman' and 'The Wages of Sin,' which have attained more or less success in the States.

We will probably never get a play quite equal to the 'Two Orphans' because such plays are not written more than once in twenty-five years, but 'The World Against Her' has abundant grounds for favorable comparison. There are numerous domestic scenes of moving pathos, well constructed and dramatic, and the whole movement of the play suggests the hand of a master dramatist."

—John Sweeny has resigned his position as a State Agricultural Director. Senator Boyle appointed in his place.
